

AVALON

HOME CINEMA & SOUND
it's a lifestyle...we make it easy

it's a lifestyle...we make it easy

style...we make it easy

“Our work is unique. Our clients value our systems thinking - we see how to align the different parts of systems normally offered through several separate companies into one that helps fulfill our client's objectives successfully.”

it's a lifestyle...we make it easy

it's a lifestyle...we make it easy

ABOUT US

Avalon Home Cinema & Sound, a sister company to Striker Electrical Services, has been based in Katy, Texas since 2003. We work with home owners who want to enhance their lifestyle with integrated home media systems that are easy to use and fun to experience. We help them discover media systems that will enhance yet simplify their lifestyle. We provide complete turnkey, custom tailored solutions and installations to fit each client.
